

## STRAIGHTENED ARROWS 2012 INDOOR LEAGUE

### **Where:**

Defiance County Fish and Game Club main building

### **When:**

All shoots will be on Mondays. Practice shooting December 19<sup>th</sup> and January 2<sup>nd</sup>. League will start on January 9<sup>th</sup> and will run 8 weeks to February 27<sup>th</sup> 2012. Doors open at 6:30 and shooting starts at 7:00 pm each Monday.

### **Cost:**

The cost will be \$50 for two practices and eight league shoots (\$5.00 per night). If a shooter pays in full the first night of practice, we will reduce the cost to \$40 for the entire league.

### **Awards:**

This will be a "Scratch League" where your score will count each week. There will not be a handicap used. At the end of the league, there will be a winner plaque and a 300-league plaque with the name of the shooter posted at the club. At this time, we are not giving other awards. We have limited awards in an effort to keep the cost down to \$5 a night, where other clubs are over two times more with only a few winners. We feel the lower cost is a better advantage to all shooters.

### **General info:**

All shooting will be at 20 yards at five spot or single bulls-eye targets. Each shooter needs to pay regardless of age and each shooter needs to have their own equipment. All tips must be a bullet style; no taper style arrow tips permitted. No cross bows permitted on the indoor range due to targets not having the stopping power on such a short arrow shot at high speed.

### **Contact us:**

If you want to shoot in this league or have questions, please contact Allan Hansford at 419-439-3155 or email at [aphansford@defnet.com](mailto:aphansford@defnet.com)
